Demo Racquets

Come into the Pro Shop and check out our new demo racquets from Prince, Dunlop, and Yonex. We have a wide range of demos for all types of players. Our pro staff will be happy to suggest a racquet for you to try based on your skill level and the type of game you play. The cost to demo a racquet is \$3, but we credit any demo charges back to you if you order a new racquet from the Pro Shop.

Donate Your Old Racquets

Member Tricia Hopper is collecting your old racquets to donate to inner city schools. Tricia has left a receptacle in the pro shop for you to drop them into. Please consider donating any racquets that you are no longer using.
